

# Let's Explore with HOMER at Home: Farm Animals

## Today we explored “Farm Animals” and focused on the letter A.

For our lesson about “Farm Animals,” we introduced the letter A, which stands for ANIMALS. The children learned all about the kinds of animals that live on a farm, the way they move, the sounds they make and special names we have for baby animals. They also explored the ideas of different foods growing on a farm and how it goes from farm to table.

Here are some related games and activities that you and your child may enjoy as you continue the learning at home.

### In the HOMER App

### Recommended Books

Here are a few great books about farms and food that are fun to read aloud to children.

- The Big Red Barn, by Margaret Wise Brown
- Click, Clack, Moo: Cows That Type., by Doreen Cronin
- Spot Goes to the Farm, by Eric Hill
- How Did that Get in My Lunchbox; The Story of Food, by Chris Butterworth
- How to Make an Apple Pie and See the World, by Marjorie Priceman

### Learning Connections

Sous chef! Let your child help you make scrambled eggs. They can break the eggs and help you whisk/stir the eggs. Eggs come from chickens on a farm then to the grocery store, then to our house! It's also a good opportunity to talk about the colors of different foods too!
