

Let's Explore with HOMER at Home: Trucks

Today we explored “Trucks” and focused on the letter **T**.

For our lesson about “Trucks,,” we introduced the letter **T**, which stands for *TRUCK*. The children learned all about the different kinds of trucks and roles they play on the road. We learned a lot about construction trucks and how they help us.

Here are some related games and activities that you and your child may enjoy as you continue the learning at home.

Learning Connections

Building with food! Prepare a “construction site” at snack time. Try to build a tower of small or sliced-up snacks. Foods like crackers, banana slices, and cheese are great building materials. Practice counting as your stack! How tall can you and your child make your “building”?
